In all other cases only a portion was paid except in the case of Senapathi Iyer who filed a civil suit in the Subjudge's Court at Tinnevelly and obtained a decree for the full amount paid by him - The total amount claimed by him was Rs 2950 + ~~the decree amount~~ including a sum of R 1680 on account of compensation for the loss sustained by him in consequence of the non performance of the agreement by the defendants. The amount for which the decree was passed is only Rs 1432-7-3 -

A 10-11-10 The facts of this case will be clear from the depositions of the party before me.

B It will be seen from file No. 101 of 1905 that three of the creditors Sri Raja Chetty have paid R. 1000 each which is the principal amount Rs 3000 which is the wife of one of the Lessees and also obtained a decree against the Lessees for R. 1000 in all facing the debt is admitted by the Lessees.

The decreed amount is thus made up of Rs. 1342 (the amount of the bond) & interest upto date of suit. The amount of the bond itself is made up of Rs. 1000 the principal originally lent and Rs. 342 interest.

In my humble opinion both sides prior Rs. 1000 + Rs. 168-3-3 + Rs. 3-6-6 + Rs 22-0-0 as all these amounts have actually been paid in cash.

Cur. Contract I cannot at all recommend as the party could have applied earlier and obtained her money; nor can I recommend the interest upto date of suit on date of loan. In fact I would not recommend any interest. ~~The amount recommended~~ The amount recommended consists of Rs. 1200 principal. To round off and to the true payment scope of this claim I would recommend the payment of Rs. ~~1350~~ 150 or of Rs. 1350 in all.
